THE

Walks

One of the largest private gardens in London...

With a history spanning over 600 years, The Walks have long formed part of the private gardens of Gray's Inn, offering a rare and peaceful green space in central London. Extending across five acres of landscaped lawns and mature trees, the gardens provide a distinctive outdoor setting for weddings. During June and July, The Walks host our wedding marquee, a temporary structure available for seven weeks each summer and suitable for weekend celebrations.

The marquee offers a spacious and flexible setting for both your wedding breakfast and evening celebrations, while still allowing you and your guests to enjoy the surrounding gardens. Couples marrying in the marquee may also choose to hold their civil ceremony in The Walks during the marquee season. At other times of the year,

The Walks are licensed for civil ceremonies and are available throughout the seasons. The gardens may also be used for drinks receptions, weather permitting, allowing guests to enjoy the outdoor space as part of your day. For additional reassurance, a stretch tent can be hired at an additional cost to provide cover in case of wet weather. Maximum capacities are up to 250 guests for seated dinners and civil ceremonies, and up to 600 guests for standing receptions.
