Sustainability

At Searcys, we have always placed sustainability at the centre of our philosophy. We are dedicated to providing our guests with the freshest and highest-quality ingredients that are sourced responsibly from local suppliers. By doing so, we not only enhance the overall experience of our customers but also contribute to the betterment of the community and the environment.

We have made sustainability a fundamental part of our business, and we have made several sustainability pledges across all our restaurants, bars, and event venues to ensure that we uphold this principle. Our menus reflect our unwavering commitment to sustainability, ranging from sourcing locally and using only MSC-approved fish to collaborating with Too Good To Go, which connects customers with our cafes to minimise food waste.

We firmly believe that every small action counts in creating a more sustainable future, and we are continuously seeking ways to improve and innovate our sustainable practices.

We only source British beef, pork and chicken.

All our bacon is British-reared.

All Searcys signature dishes use British fruit and vegetables in season.

We use MCS (Marine Conservation Society) Good Fish Guide rated 1-3 fish and seafood only.

Our prawns are responsibly farmed.

We use British-milled flour and wild-grown wheat from regenerative farms and ancient British grains in our recipes.

All fresh eggs used in our kitchens are British free-range and RSPCA-certified.

Our plant-based and vegetarian dishes are featured prominently in all our venues, with the goal to make 25% of all menus by end 2025.

We champion seasonal British produce, from rhubarb to strawberries and heritage tomatoes, with hero ingredients traced to an individual farm.

We champion cooking chocolate from the Islands Chocolate farm in St. Vincent and the Grenadines.

In our recipes we champion British-harvested rapeseed oil.

We've launched a carbon footprint calculator trial to help us reduce the impact of our menus.

Wherever possible we use porcelain crockery, glassware and metal cutlery.

We do everything to minimise food waste, from menu and portion design to food waste separation.

We partner with food waste apps Too Good To Go, Olio and City Harvest.

We work with the best English Sparkling Wine producers, and have created our own label with a vineyard in Guildford.

We use Harrogate bottled water. Naturally sourced, it has the lowest food miles in the UK and is B-Corp accredited.

Camden Town and Toast (brewed with surplus wheat) supply our house beers.

Our coffee comes from an organic cooperative in Peru and family-run single estates in Guatemala and Colombia.

Our teas are responsibly sourced and are either Rainforest Alliance certified, organic or directly traded.

We have an apprenticeship programme for our people and offer over 40 development programmes for our colleagues.

We celebrate our people's contributions and loyalty with our Long Service awards and annual people awards.

We have been awarded the Disability Confident Employer certificate, which helps ensure all employees can fulfil their potential.

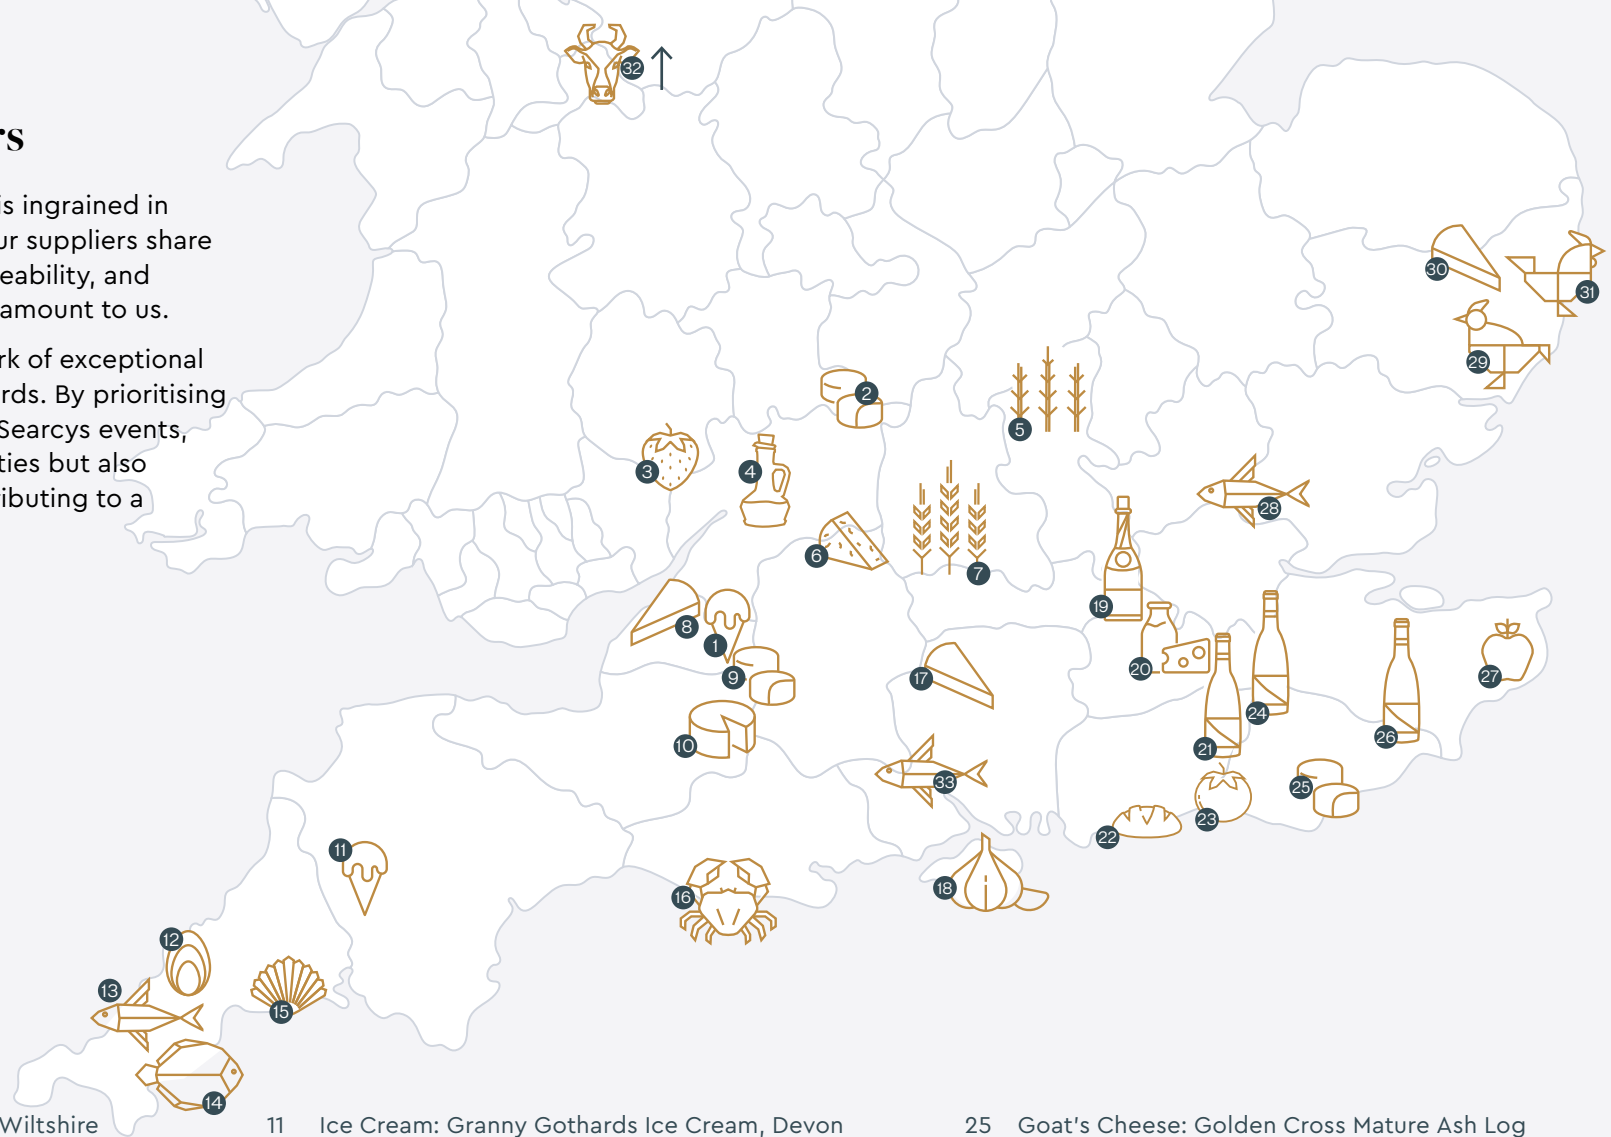

Our charities Hotel School and Beyond Food, help those at risk of unemployment and homelessness gain jobs in hospitality.

Tour de Searcys
 In summer 2023, our annual charity cycle ride took us to Epernay, the home of Champagne and raised **£22k for our partner charities.**

Local British partners

Our commitment to sustainability is ingrained in everything we do. Ensuring that our suppliers share our values of ethical sourcing, traceability, and environmental responsibility is paramount to us.
