

Meetings in the *heart* of London

GRAY'S
INN

WELCOME to *Gray's Inn*

Steeped in history, this prestigious central London venue offers nine exceptional event spaces—each shaped by centuries of heritage and the enduring character of Gray's Inn.

Across the estate, our meeting rooms reflect the Inn's long tradition of learning and collaboration. The Large Pension Room, Bingham Room, Rose Heilbron Room, Holt Room and Birkenhead Room each bring their own story, combining period features and timeless atmosphere with the practical comforts required for modern meetings.

In-room AV allows guests to present or connect via Zoom or Teams without distraction—supporting your agenda while keeping the focus on the people in the room.

A selection of thoughtfully designed meeting packages provides everything needed for a productive day, delivered with the warmth and attention to detail that define the Inn.

As one of the four Inns of Court with the exclusive right to call individuals to the Bar of England and Wales, Gray's Inn has been home to a community of remarkable people for more than six hundred years.

Our distinctive and welcoming culture continues today, supporting a wide range of events that contribute to the charitable work of The Inn.
